This is to certify that myself & Company went round to
Labaca last March in Capt Yppn Nys Lighter with 62 Kgs
Pounds & 27 Pds Lead for the Army after we arrived there we
found our Army had been defeated. I sent part of the Ammunition
to Gril Houston by Capt Lamison the balance with some families
were sent back to Matagorda. Capt Yppn Nys was absent on that
about four weeks, during which time he was actively employed in removing
families & otherwise assisting Government
